Cheesecake Company

Yay, it is time to plan your big day!

Here at the Cheesecake Company, we can't pick your location, we can't tell you if you should order chicken or fish and we can't keep that one crazy uncle from dancing on the table...

But what can we do then? We can provide you with a one-of-a-kind, customized, unique wedding cake, that will blow your friends and family away (especially if you're having your wedding in a windmill...)

With 4 different sizes ranging from bonbons to large cheesecakes and more than 50 different flavors to choose from, we have a flavor & a size to meet all of your needs on this special day.

All of the cakes are custom made with the highest quality ingredients and a whole lot of love!

Tasting and Consultation

A one-of-a-kind wedding cake takes time, expertise and care.

So how exactly do you go about planning your perfect cake? Follow these 3 simple steps and that is all it takes.

Step 1

Visit our “list of flavors” on the main page and choose the flavors which you would like to sample during your wedding cake tasting/ consultation.

Step 2

Make an appointment for your wedding cake tasting/ consultation by sending us an email at: info@cheesecakecompany.nl

Please be sure to specify:

- Possible dates and times that you would be available for the appointment
- Your list of flavors that you would like to sample during the tasting

Dietary Requirements:

Our cakes contain wheat and dairy. For customers wishing to avoid gluten in their diets, we can also make gluten-free cheese□ cakes.

Step 3

During your appointment we will discuss and finalize flavors, quantities, location and other details pertaining to your special day.

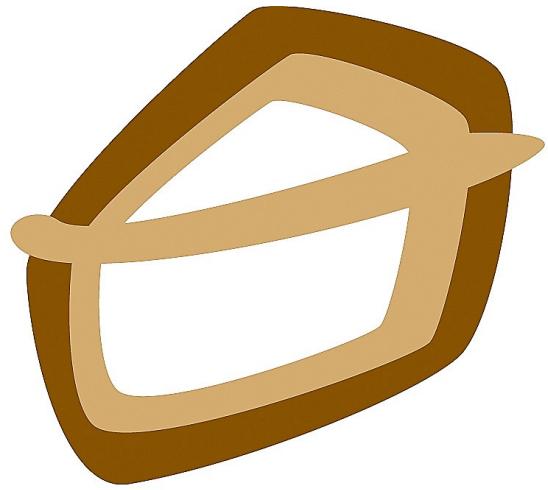

Step 4

Well actually there is no step 4, but if there was, it would be for you to sit back, relax and enjoy the moment, because we got it from here!
